EDUCATION

BACHELOR OF COMPUTER SCIENCE

Goa University (India)

– Government College of Science, Arts and Commerce, Sanquelim, Goa
| **2017 – 2020** (Did not graduate due to COVID-19)

- Learned foundational computer science concepts, software development, and web technologies. Self-studied web development post-college, continually building my skills through freelance work and personal projects.

KIBIRIGE MOSES

WEB DEVELOPER

GitHub: [ugfrds](#)

PROFILE

Passionate and self-taught Full-Stack Web Developer with several years of experience developing dynamic websites and web applications. Skilled in creating custom solutions using HTML, CSS, JavaScript, React, and Node.js. Extensive experience with design tools and web security. Proven track record in delivering projects for political candidates, NGOs, and small businesses.

I am always eager to learn new technologies.

EXPERIENCE

FREELANCE WEB DEVELOPER

2021 - Present

- **Developed custom websites from scratch** using HTML, CSS, JavaScript, React, and Node.js for various clients, including political candidates, NGOs, and small businesses.
- **Created a POS system for Restaurants** using JavaScript, React, and Node.js ([POS Website](#))
- **Designed and developed an e-commerce website** for a gadgets store, integrated with secure payment gateways.
- **Built and maintained a website for *Kabuyefoundation.org***, an NGO focused on community outreach and development.
- **Managed full-stack responsibilities**, handling both front-end design and back-end server and database integrations (using Node.js, Express, and SQL databases).
